Greedy squirrels Cyril and Bruce both have their sights on a very special prize: THE VERY LAST NUT OF THE SEASON! As the nut bounces crazily through the forest, the squirrels race after it, between the trees, over boulders, down the river and - ARGH! - right to the edge of a waterfall! Working together might be the only way to save themselves now!

**Go on a Nature Walk!** Discuss the things you see in your own yard or near your home that are similar to those you see in the story, such as trees, pinecones, rocks, and animals.

**Creation Station:** While outside, collect small leaves, twigs, pebbles, and other items to make a picture of the outdoors. Paste these items on a piece of paper, or create a display, and write about what was created.

These resources were prepared by GELF's Educator Advisory Council, a group of 28 Tennessee educators, to encourage engagement with the K-3 Home Library books distributed to students over the summer.
